THE ROLL OF SCOTTISH BARONS

EXTRACT AS AT 29TH NOVEMBER 2026

This is an extract of the Roll of Scottish Barons, an open-source verification roll of baronial titles, kept by the Keepers of the Roll for the Baronage of Scotland Association. It lists the 213 entries on the Roll as at the date above, with each holder's style as entered on the Roll. The Roll itself, with the credentials on which every entry rests, is published at roll.baronage.com.

Under the rules of the Roll, unverified titles are not recognised by barons listed below or by cooperating organisations & institutions.

NOTES

1. Only dignities of proven legitimacy are entered on the Roll. The supporting credentials are published on each entry, so the evidence can be examined directly; an entry can be found by its Roll No. at roll.baronage.com/entry/<Roll No.>.
2. Titles awaiting documentary verification are listed separately on the Pending List and are not on the Roll. This does not imply that the title or holder is not genuine.
3. A mark beside a barony shows it is Hereditary on the Roll: pledged upon the Roll as hereditary, *not a category of law*. It is drawn as the headgear of the holder's own achievement: the chapeau of a baron, the blue chapeau of a representer, or the coronet of a peer's rank.

Baron's Chapeau | Allodial Chapeau | Quondam Chapeau | Princely Coronet | Duke's Coronet | Marquis' Coronet | Earl's Coronet | Viscount's Coronet | Lord of Parliament's Coronet

4. *Held since* with a year, in place of a mark, records the year in which the current holder succeeded to the dignity.
5. Recognition and legal title are independent of one another. Nothing the Roll does alters the legal position of any barony, and no entry on the Roll changes anyone's legal rights.
6. Where a holder has other baronies, each is listed in its place with "see" and the barony under which the holder is entered.
7. Any error or omission should be reported to the Keepers of the Roll at roll.baronage.com.
